Constituency Associations - 1986 Annual Financial Statements

The three hundred and twenty Constituency Associations registered on April 10, 1986, were deregistered coincidental with the proclamation of the Electoral Division Amendment Act - 1985. Prerequisites to the registration or reregistration of Constituency Associations, as a result of the proclamation of the Electoral Division Amendment Act - 1985, included the filing of a Financial Statement for the period January 1, 1986 to April 10, 1986 and an Application for Registration of a Constituency Association. For information concerning Constituency Associations registered following April 10, 1986, reference should be made to the 9th Annual Report of the Chief Electoral Officer (1986).

The two hundred and seventy-seven Constituency Associations registered on December 31, 1986 were required to file Annual Financial Statements with this Office, not later than the close of business March 31, 1987 for the period April 11, 1986 to December 31, 1986, (Section 34(2)). These financial statements were received from two hundred and seventy Constituency Associations. Three Alberta Liberal Party, three Confederation of Regions Party, and one Western Canada Concept Party of Alberta Constituency Associations failed to file the required Annual Financial Statement by the required date and were deregistered.

The Constituency Association financial data which follows records contributions for the two filing periods in 1986; the first period being January 1, 1986 to April 10, 1986 and the second period being April 11, 1986 to December 31, 1986. A comparision of the number of registered Associations by Party may be seen on Page 3 - "Summary".

In that in-house administrative and financial procedures differ significantly between Parties, each Party is required to advise this Office of their routine relating to certain procedural criteria. In this regard, the following information reflects that criteria as it affects Constituency Association authority to accept contributions and to issue Official Receipts.

1987 Chinook By-Election

Financial information regarding the Chinook By-election has not been included in this Report, in that neither the registered Candidates nor the registered Parties are required to file financial statements until 1988. The Chinook By-election results were published in a separate By-election Report, December 14, 1987; this Report includes an overview of By-election administration costs. Detailed Candidate and Party financial data will be included in the Eleventh Annual Report of the Chief Financial Officer (1988).

Income Tax Credit Allowance - 1985

The Tax Policy Division of Alberta Treasury provided information, obtained from Revenue Canada Taxation and the Alberta Corporate Tax Administration, concerning the 1985 income tax credits for political contributions allowed to individual and corporate taxpayers who paid Alberta Income Tax.

Although the following information is two years after the fact, it may be of general interest:

Total 1985 contributions to registered Parties (annual plus campaign)	$1,754,260.
Total 1985 contributions to registered Constituency Associations	$242,144.
Total 1985 contributions to registered Candidates, By-elections	$114,102.
Total 1985 Provincial Income Tax Credit allowed to Individuals	$575,844
Total 1985 Provincial Income Tax Credit allowed to Corporations	$113,000

Three factors should be considered when reviewing this information

a. taxpayers do not receive income tax credits unless they submit an Official Receipt for the contribution;

b. if there is no Alberta income tax payable, no income tax credit is allowed; and

c. the amount of income tax credit allowed is based on declining percentage calculation of the total contribution.

Note: In consideration of the foregoing factors, a direct percentage comparison of the income tax credit allowed to the total amount contributed may not necessarily be valid.

Funds Held in Trust by the Office of the Chief Electoral Officer

At the date of this Report the Chief Electoral Officer is not holding any funds in Trust for a political Party, Constituency Association or Candidate whose registration has been cancelled or for any other reason.

Public Records

The public records, which contain information concerning political financing of registered political organizations in Alberta, now contain data for nine consecutive calendar years including the 1979, 1982 and 1986 General Elections and the five By-elections held since January 1, 1978. Interest in examining these records increases substantially on the dates immediately after the Candidates, Constituency Associations and Parties file the required Campaign Period or Annual Financial Statements. The primary use of these records is made by the news media, students and members of political organizations.

Conferences

Annual Conference of Canadian Election Officers

The 1987 Annual Conference of Canadian Election Officers and Election Finances Officers was held in Ottawa, Ontario, July 20- 23, 1987. All provincial jurisdictions, Yukon, Northwest Territories, Elections Canada and the United States Federal Election Commission were represented at this year's conference.

The conference again provided an opportunity for all jurisdictions to share problems and to explore possible solutions. Agenda items were topical and included discussions on problems of mutual interest and the sharing of ideas to improve the electoral process. These discussions were meaningful to this Office.

The 1988 conference will be held in Charlottetown, Prince Edward Island,July 25- 28, 1988.

Council On Government Ethics Laws - (COGEL)

For the first time in the history of the Council of Governmental Ethics Law, the Annual Conference was held outside the United States. Over 200 delegates and observers from Canada, the United States, Great Britain, France and West Germany attended the Conference held in Quebec City, Quebec, September 27-30, 1987. Ten of the twelve Canadian jurisdictions are members of COGEL and played key roles at this conference. Dr. Bob Elliott, MLA for Grande Prairie, was moderator of the session which dealt with "Future Issues of Campaign Finance Laws".

The Council is an association of public officials at the federal, state and provincial levels responsible for the administration of ethics legislation concerning such matters as election financing, control of election expenses and contributions, conflict of interest and lobbying. There is an increasing interest in the Council being shown by members of the academic community who are becoming members of the Council.

The 1988 Conference will be held during the first week of December in Orlando, Florida.

Conclusion

The year following a General Election is normally a time when Parties review their Constituency Associations, make desired personnel changes and amend Constituency Association registrations. Many of these changes were initiated in 1987. Data related to changes in Constituency Association registration is maintained in the Public Files.

The Public Files maintained by this Office are available for examination during normal office hours. Copies of all reports published by the Chief Electoral Officer are available to the public at no cost. Copies of data maintained in the Public Files is available at a nominal fee.

Campaign Period Financial Statements of the five registered Candidates at the Chinook By-election will be available after February 23, 1988 and the four Party Campaign Period Financial Statements will be available after May 23, 1988.

To assist Party, Constituency Association and Candidate volunteers in their understanding of Provincial election legislation and to aid them in meeting their responsibilities, this Office provides guidance and assistance as required. Information on all aspects of the Election Act and the Election Finances and Contribution Disclosure Act is also provided on an on-going basis to individuals and to groups interested in the political process. Positive feedback was received on all occasions, in regard to the brochures and hand-outs prepared by this Office.

I would like to acknowledge those Albertans who took the time to phone, write or visit this Office to obtain information or to provide suggestions regarding the procedures governing registrations and public disclosures.

In submitting this Report, I wish to express my appreciation to the paid staff of the registered political Parties, the volunteer executives of the Parties and Constituency Associations, especially the Chief Financial Officers, for the excellent cooperation received during the reporting period. I also wish to acknowledge the professional and competent support that I received from my staff in helping me meet my responsibilities during 1987.

All of which is respectfully submitted.

Patrick D. Ledgerwood
Chief Electoral Officer
